

PERSONAL DETAILS

DANIEL SANCHEZ FUENTES

Project Analyst

Birth date: 15/01/1973

E-mail: edaindansan@google.com

Telephone: +34 655253634

OBJETIVE/PROFILE

Multidisciplinary IT professional with seventeen years of experience (last 6 years focused in java technologies). I also prove to be an effective team worker and have a practical work behavior.

All my professional life has been developed in standard IT companies and I look forward to taking a professional leap within an organization that bets unequivocally on the latest technologies and new paradigms of development and continuous integration as well as agile methodologies.
